Current Residents

Neden Yacine, PharmD, MS

- **Hometown:** Fort Smith, Arkansas
- **Education:**
 - Doctor of Pharmacy, University of Utah College of Pharmacy - Salt Lake City, UT
 - PGY1 Pharmacy Residency, Intermountain Health – Intermountain Medical Center
- **Project:** Adult Dosing Guidelines with Renal Adjustments: Incorporating Obesity Dosing and Apixaban Medication Use Evaluation
- **Professional Interests:** Internal Medicine
- **Hobbies:** Spending time with friends, cruising through the canyons, roasting s'mores by the campfire, hiking, and when I am not outdoors, rotting in bed scrolling through TikTok
- **Favorite things to do in Utah (or look forward to doing):** Grounding myself in the mountains, exploring national parks, enjoying nights out downtown with friends, shopping in Park City, and soaking up Utah's countless festivals, concerts, and markets. I especially love watching the seasons shift—nothing beats seeing the leaves change color
