

# Intermountain Medical Center Podiatry Residency

---

## Didactics

Podiatry didactic conferences are held at Intermountain Medical Center from 6:30 am to 8:30 am each Tuesday. Additional labs and workshops with guest presenters are typically offered each quarter.

### Didactic Schedule

- McGlamry Review
- Journal Club
- Lecture Series
- Case Presentations

## Research

Residents are encouraged to complete the following prior to graduating from residency:

- One paper on a podiatry-related subject of a quality consistent for publication.
- Two formal presentations of cases seen in clinics, suitable for inclusion in a teaching file.
- Two lectures per year suitable for presentation at a didactic conference.
- A minimum of 12 case presentations for podiatry conferences.
- One research project approved by the residency director.
