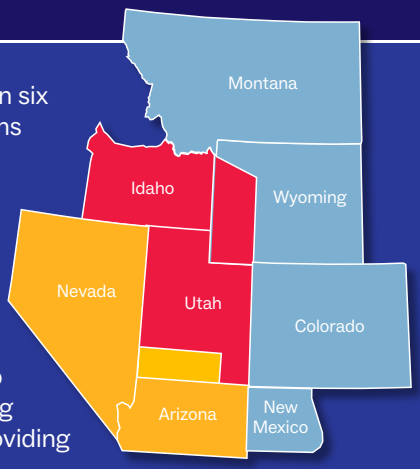
Intermountain Health

Intermountain Health At a Glance

Headquartered in Utah with locations in six primary states and additional operations across the western United States, Intermountain Health is a nonprofit system on a mission to help people live the healthiest lives possible. Intermountain is committed to improving community health, is widely recognized as a leader in transforming healthcare, and strives to be a model health system by partnering to proactively keep people well and providing the best possible care.



- **Desert Region**: Nevada, Arizona, and Southwest Utah
- **Canyons Region**: Central and Northern Utah, Idaho, and Western Wyoming
- **Peaks Region**: Colorado, Eastern Wyoming, Montana, and New Mexico

We Are Leaders in Clinical Excellence

We are dedicated to partnering with people to support their health, wellness, and quality of life. We don't do what we do for the awards, but we do celebrate when we're recognized as a model health system.

2024 Community Investments

Meeting Community Need as a Nonprofit Health System

Overview of 2024 investments in our community*

- $1,148 million was invested in Community Benefit, which is double what's expected and over a 50% increase in investments since 2023.
- $530 million was reinvested above and beyond Community Benefit in the community to support other needs
- **Intermountain invested a total of $1.68 billion in community**

Nearly 13 cents of every $1 spent is directly invested in the community*

*Community investments figures, including reportable expenses, come directly from Schedule H of our Form 990 reports for entities that own and operate hospitals. In 2024, expenses for Intermountain on our Schedule H totaled $13.4 billion.
